## SHARING ONLINE

### CREATIVE COMMONS KIWI

Have you ever wondered how to download and share digital content legally? How do you let people know that you want them to reuse your own work? Creative Commons licenses can help you do both - this video summarises the types of licenses that are available.

## Did you know?

We have two cluster schools with entries that have been chosen as finalists for the **MADE** awards.

Congratulations to Kaharoa and St Mary's. Stunning static images!

## COPYRIGHT

Do you know how the new laws affect you and your students?
